♩=122      E                                  A                                  F#m                                  B(sus4) B7      E

我心盼望別無根基惟有救主流血公義除  
 有時黑雲遮蔽主面約我恩可免為徒永無改變或  
 主流寶血立下恩約起同眾聖徒在基  
 末日聽見號筒聲起

6      E                                  A                                  F#m                                  B(sus4) B7      E

此以外空虛無憑單靠耶穌救主聖名立  
 有風外浪空不虛無搖動我我我聖潔無瑕同受榮耀  
 他依靠都怕要失義袍我我我聖潔無瑕同受榮耀  
 上救主雪白義袍我我我聖潔無瑕同受榮耀

10      E                                  A                                  C#m/G#                                  C#m

在基督磐石堅固其餘根基全

13      F#m                                  B                                  A                                  E/G#                                  B/F# B      E

是沙土其餘根基全是沙土
